In Re: Tonya Owens, et al. v. MGM Resorts Int.

I am actively pursuing a claim in this case. I need the claims documents sent to me at the above listed address; as I am awaiting final billing for legal service provided to me in this matter.

Please forward me the Agreement that I may submit a timely claim, post haste. I am also in need of the mailing contact information for the claims administrator; Epig.

I do not object to any stipulations of the settlement, as long as I receive all documents in a timely manner.

Thankfully
